## ***Hot August Nights***

### **FROM THE "PREZ"**

As summer heat continues, we again need to thank Scott/Katie and Steve/Marie for turning on the swamp cooler early so that the hall will be cool for dancing. Of course, the hot nights are providing a great opportunity to get out of the kitchen and enjoying a meal out with fellow dancers before dancing.

Please remember to promote our Advanced Class to your full plus dancing friends. The class will start October 16th and will be held Monday evenings from 6:30 – 8:00.

We will be dark from August 28th through October 2nd while so many of our friends are traveling to Australia. We hope that your vacation is wonderful and look forward to hearing your stories when you return. Safe travels to everyone.

See you October 9.

- Jeanette

## AND THEY WALK AMONG US

WHAT WAS PLAN B? An Illinois man, pretending to have a gun, kidnapped a motorist and forced him to drive to two different automated teller machines, wherein the kidnapper proceeded to withdraw money from his own bank accounts.

THE GETAWAY! A man walked into a Topeka, Kansas Kwik Stop and asked for all the money in the cash drawer. Apparently, the take was too small, so he tied up the store clerk and worked the counter himself for three hours until police showed up and grabbed him.

NOT THE SHARPEST TOOL IN THE SHED! In Modesto, CA, Steven Richard King was arrested for trying to hold up a Bank of America branch without a weapon. King used a thumb and a finger to simulate a gun. Unfortunately, he failed to keep his hand in his pocket.
